What is the ICAAP Annual Educational Conference?

Designed for pediatricians, pediatric nurse practitioners, family physicians and allied health care professionals caring for children. The ICAAP Annual Educational Conference will feature nationally and locally prominent faculty presenting topics that highlight current issues in pediatrics. The conference will combine lectures, interactive breakout (smaller group) seminars, and question-and-answer sessions to allow attendees the opportunity to interact with faculty in solving the problems encountered in daily practice.

By attending the 2009 ICAAP Annual Educational Conference, participants will:

- Update their knowledge of clinical issues by reviewing “hot topics” and recent practical advances for the office in key subspecialty areas.
- Increase their ability to diagnose and manage patients in the practice setting by analyzing and discussing cases with their faculty and peers.

You should attend the 2009 ICAAP Annual Educational Conference if you are a:

- general, primary care pediatrician;
- pediatric nurse practitioner;
- family physician;
- pediatric and medicine-pediatric resident or fellow;
- allied health professional, including registered nurses and physician assistant and others.

Session Formats

The conference features a variety of educational formats, including plenary lectures, question-and-answer sessions, case vignettes, “hot topic” presentations and hands-on workshops and small group sessions.

Continuing Medical Education Credit

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Pediatrics and the Illinois Chapter of the American Academy of Pediatrics. The American Academy of Pediatrics (AAP) is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this educational activity for a maximum of 11.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 11.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME.

This program is approved for 2.0 NAPNAP contact hours of which 0 contain pharmacology (Rx) content per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or “off-label” use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the view or policies of the AAP.
