CME/MOC EDUCATIONAL COURSE OFFERING:
Improving HPV and Adolescent Vaccination Rates QI Activity

About the Course:

This course is designed to help providers develop and implement a quality improvement plan to improve HPV and adolescent vaccination rates in practice utilizing PDSA cycles of improvement.

This course offers two tracks for participants. In track one, for Continuing Medical Education (CME) credit, participants will view three educational modules. In track two, the QI track, participants will enter data and apply QI in practice. To receive MOC Part IV credit, learners must enter baseline data, cycle 1 data, and cycle 2 data over a period of 15 weeks. This course offers 3 CME credits and 25 MOC Part IV points approved by the American Board of Pediatrics (ABP).

Course Fees: ICAAP Members $100; ICAAP Non-Members $150

Visit https://illinoisaap.org/learning-management-system/ to access ICAAP’s Learning Management System (LMS) and instructions on creating an account and accessing the course!

The Illinois Chapter, American Academy of Pediatrics is accredited by the Illinois State Medical Society (ISMS) to provide continuing medical education for physicians.

The Illinois Chapter, American Academy of Pediatrics designates this enduring activity for a maximum of 3 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
