

Empowering You and Your Teams with Up-to-Date Resources & Education

Learning Management System (LMS) Guide

The Illinois Chapter, American Academy of Pediatrics (ICAAP), offers online course modules for educational training that can be used in your practice. Most courses are open to members and non-members.

To create an account on the LMS, these steps:

- 1 Go to ICAAP.REMOTE-LEARNER.NET**
Remote learner is the platform ICAAP uses. Google Chrome is recommended as your web browser for the best experience.
- 2 Create a New User Account**
Select the "Login" button at the top right of the screen. Under the subheading that says "Is this your first time here?", click "Create an Account".
- 3 Create Your Login Information**
Fill out the fields (fields with red asterisks are required), following this select, "Create my New Account".

Access Courses

- ✓ Once logged in, you can either self-enroll or purchase-enroll in a course. If there is a number beside the course (##), then the course has a fee.
- ✓ To Self-Enroll (for free courses), click on the "Course Catalog" tab. Then, click on the course name to enter the course. Next, click the "Enroll me" button, to begin the course.
- ✓ To Purchase-Enroll, click on the "Course Catalog" tab. Then, click on the course name to enter the course. Select the "Send Payment via Paypal" button, to complete the payment process and then return to the course. Last, click the "Enter Course" link, to begin the course.
