

Adolescent Immunization Action Week Resources

April 7th - 11th, 2025

About Adolescent Immunization Action Week (AIAW)

AIAW is an annual observance that highlights the importance of ensuring adolescents are up to date on their vaccines. Since the beginning of the COVID-19 pandemic, [*many teens have missed crucial vaccinations*](#) and doctors appointments. AIAW serves as a reminder to parents and healthcare providers to prevent adolescents and young adults from getting sick and missing out on activities that are important to them.
