

2026 Pediatric Anxiety Quality Improvement Project Maintenance of Certification (MOC) Part 4 Requirements

MOC Part 4 Criteria for the Physician:

- Participants must attend or view the onboarding webinar and attend at least 3 of the 5 scheduled 1-hour monthly webinars live to share data and best practices across participating sites. Participants should view recordings of any sessions they are unable to attend live.
- Participants should contribute to practice PDSA cycle and data collection

MOC Part 4 Criteria for the Practice Team:

- Practices are encouraged to establish a team to engage in the project, which may include physicians, nurses, medical assistants, and practice managers. The practice team should designate one physician as the local leader.
- Practice teams should have at least one person in attendance live at 4 out of the 5 scheduled webinars to share data and best practices across participating sites.
- Practices should complete at least one Plan Do Study Act (PDSA) cycle and share at least one Plan Do Study Act (PDSA) cycle with other practices during a project webinar.
- Practices should collect and submit practice-level data on project measures for 5 monthly data cycles (baseline and 4 project data collection cycles).

Continuing Medical Education (CME) Requirements

To be eligible for CME for each webinar, participants will need to attend the live webinar and complete the evaluation at the completion of the webinar.
