

# Hepatitis B Vaccine Quality Improvement Project

EARN MAINTENANCE OF CERTIFICATION (MOC)\*  
PART IV CREDIT - FREE

In partnership with the American Academy of Pediatrics, the Chicago Department of Public Health (CDPH) and Illinois Chapter of the American Academy of Pediatrics (ICAAP) are recruiting primary health care clinicians to join a 5-month learning collaborative and quality improvement project focused on hepatitis B vaccines. The goal of this project is to achieve measurable improvements in hepatitis B vaccine administration in patients  $\leq 24$  months old by implementing standardized eligibility processes, structured follow-up, and education using quality improvement tools.

Practices must provide primary care to patients aged 0 to 24 months old in Illinois, complete monthly de-identified retrospective chart reviews, and submit monthly PDSA (Plan, Do, Study, Act) worksheets. Clinical teams will engage in monthly educational sessions that include: strategies for reducing missed opportunities, communication methods to reduce deferrals/refusals, clinic readiness and vaccine supply reliability, and more.

## Benefits of Participating

- Increase knowledge regarding best practices for on time hepatitis B vaccinations.
- Improve communication around the importance of hepatitis B vaccination.
- Network and problem-solve with others.
- Earn American Board of Pediatrics Part 4 Maintenance of Certification (MOC)\*\* credit and CME credit\*\* (\*\*pending approval).

## When

- Session 1: Thursday, March 12 at 12PM
- Session 2: Wednesday, April 15 at 12PM
- Session 3: Wednesday, May 27 at 12PM
- Session 4: Wednesday, June 24 at 12PM
- Session 5: Wednesday, July 29 at 12PM
- Session 6: Wednesday, August 26 at 12PM

## Project Requirements

### February 2026:

- Submit online registration
- Receive onboarding materials

### March - August 2026:

- Attend one session per month
- Conduct monthly de-identified chart reviews
- Conduct PDSA cycles

### August 2026:

- Complete project evaluation survey
- Participation credits awarded (MOC 4 and CME, if eligible)

Register [here](#) or by scanning the QR code by March 6, 2026
